***Venmo***  
*@WHABB*

***Please include address, phone number, and email address  
to be contacted for confirmation and receipts.***

The Cougar Band is seeking out sponsorships for the 2023-2024 school year to help make this the best year of Band at Western Hills so far! This group of students is made up of 9th, 10th, 11th, and 12th graders that represent a diverse population at our school. As an organization we place value in everything we do, small and big, and we take pride in the fundamentals of musicianship, leadership, accountability, and community. Any donation you give will be 100% used for the students; they deserve the best experience possible. Contributions will be used to purchase music, buy and maintain instruments and equipment, provide educational opportunities, hire clinicians and teachers to work with the band, provide resources to all students, and so much more! We have several Sponsor Levels that each come with various perks to celebrate your donation. Please help us by donating to the WHHS Cougar Band to keep the music alive and thriving at the Hills - the Cougar Band thanks you for your consideration!
