About Me

Welcome to 3rd grade! I will be your teacher this year (for ALL subjects!) This is my 9th year teaching and I'm so excited to have you in class this year. Teaching is my passion! I truly love walking into my room each day to find smiles, hugs, and more joy than you can imagine. I think I have the best job in the world. I received my Bachelor of Arts in Communication from Texas Tech and my Masters in Educational Leadership from Tarleton. It's going to be the best year ahead!
