### GENERAL INFORMATION

- School starts at 7:50. Drop off begins at 7:35. Parents will follow the drive around the back of the school (side closest to the golf course) and join the double line in the front of the school. DO NOT get out of your car. A teacher or a member of safety patrol will open the door when it is safe and help your student out of the car.
- Parents are allowed to walk their child to their classroom on the first day of school **ONLY**.
- School dismissal starts at 3:15. Parents will join the pick up line just like they did at morning drop off. Your student will be walked out of the school and helped to your car in the afternoon.
- You must bring your child's dismissal tag EVERY DAY. Your child will not be released to anyone without the tag and this is how we know to get your child ready to leave the building at dismissal.
