Area Reviewed	Sun	nmary of Strengths	Sun	nmary of Needs	Pric	prities		
	What were the identified strengths?		Wha	at were the identified needs?	What are the priorities for the campus, including how federal and state program funds			
Demographics	1.	Fifth grade Dual Language program has been added to Carroll Peak.	1.	Demographics are changing rapidly. We continue to need more bilingual teachers. We need bilingual tutors for grades 3-5.	1.	To hire additional 2 to 3 more bilingual teachers and at least two bilingual tutors for grades 3-5.		
Student Achievement	1.	We need to continue the growth we are experiencing in reading, math and writing.	1.	We need to begin our science interventions earlier in the year. We need o hire tutors who are specifically trained for science to conduct interventions as needed.	1.	To hire a computer lab assistant to assist with computer based interventions.		
School Culture and Climate	1.	Staff members enjoy working at the school the mid year climate survey indicates that 90% of the teachers enjoy working at Carroll Peak.	1.	A large number of students with severe discipline problems this year. We need to ensure that we meet with children who enroll and discuss the discipline plan, so that the children are able to have more success.	1.	Continue to provide training for staff on how to use the DERC Committee more effectively. Mrs. Stoker will continue to share information she brings back from meetings during staff meetings.		

Staff Quality/ Professional Development	1.	Many teachers attended additional training. Training exceeded what was required by FWISD. Master teachers on this campus presented lesssons on our weakest objectives to the staff.		Need to ensure students who experience difficulty mastering state assessments are provided with effective timely additional assistance. Science continues to be our weakest area of achievement. Lead teacher needs to attend CAST and train teachers when she returns.	1.	Closing the achievement gap for AA and H students while increasing achievement for all students. All teachers will receive training for strategies for closing the achievement gap. We need to hire a data analyst to monitor the data closely, so that we can identify needs and address needs quickly. Lead science teacher will attend CAST Conference
Curriculum, Instruction, and Assessment  Family and Community Involvement	_	PLC meeting Grade Level planning  Utilize data to drive instruction  Parent Portal participants increased. More parents attended school events.		Use PLC protocols Increase rigor in centers and teacher table instrucion during SGGM and SGGR.  Opportunities for open discussion about data between teachers and adminstrators. Need family involvement in increasing attendance rates for all students especially preschoool students.	3.	Implement vertical PLC meetings Professional learning opportunities for teachers to understand rigorous instruction and activities Data meetings.  Incentive programs will be developed to reward students with satisfactory and outstandiing attendance. Meetings will be held with parents at the beginning of the school year to discuss the importance attendance and its relationship to
	2.	Hire a parent communicatator	2.	Need to increase communication between school and parents.	2.	Achievements Host parent meetings throughout the school year.
School Context and Organization	1.	Parent Protal participants increase.	1.	Need to continue to hold portal enrollment meeting for parents.	1.	Other - enter data source here
