BASKETBALL IS OVER??...

Not For Our Future Panthers!!

Panther Basketball Club is a Paschal High School feeder-school prep program designed to prepare our future panthers by providing year-round opportunities for 5th-8th grade individuals in the Paschal High School pyramid. We work alongside the high school and middle school coaches to ensure we are preparing our youth players towards being fundamentally ready players for the next level.

Join us this off season, starting the first week of March, and continue to develop the skills you built this winter season! Details and registration at PantherBasketballClub.com/monthly-program
