Comprehensive Needs Assessment

Revised/Approved: April 28, 2023

Demographics

Demographics Summary

E. M. Daggett Elementary was established in 1908 and is located in the Historic Ryan's Place Neighborhood and serves Ryan's Place and Fairmont Neighborhoods.

Daggett Elementary is predominantly a neighborhood school. About 30 percent of our students ride the bus from the surrounding neighborhood. At the same time, most students attend after-school care or parent pick-up.

During this academic school year, our enrollment has decreased to 544 students.

However, we have seen a decrease throughout the last five years:

2018= 668 students

2019= 660 students

2020= 563 students

2021= 535 students

We attribute this decline to three factors: Fort Worth has had a declining birth rate for several years. This means fewer students are attending our schools each year. Second, Fort Worth has had many charter schools move into the city, aggressively recruiting students. Attendance and demographic information are listed below. Third, Daggett student achievement data has steadily declined over the past few years, taking us to a TEA Rating that is projected to be Low Performing. This community is educated and informed and they have lost confidence in the ability of our campus to produce college ready students. TEA score in 2022 - 71 overall is projected to fall below "passing" based on STAAR scores.

	Campus	District	State
Attendance Rate (2020-21)			
	92.7%	92.8%	95.0%
Enrollment by Race/Ethnicity			
African American	8.3%	20.5%	12.8%

Social Studies	-	15.0	19.1

Demographics Strengths

Daggett Elementary is a historically loved school in the community, and serves a beautifully diverse student body with its unique location between the prestigious Ryan Place neighborhood and the Hemphill southside area fraught with homelessness and poverty. Daggett students coming from the entire area are so eager to learn and highly capable. The 2-way Dual Language program has increased the diversity of the campus. Although small, our campus PTA meets regularly and services students and teachers need. The Academy 4 Program provides mentors, leadership development, and clubs for 4th-grade students. St. Paul's Lutheran Church works with Academy 4 and also sponsors projects for the students

and staff of Daggett Elementary. The historic Ryan's Place and Fairmont Neighborhood associations support the school community throughout the year, with several PTA Board Members also serving as members of the neighborhood associations, which gives us a voice into the school community that can be strengthened.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Over 30% of Daggett Elementary students have attendance below 90%. **Root Cause:** Students do not understand how attendance will impact their success in college, careers, and future endeavors.

Problem Statement 2 (Prioritized): 20 Percent of 2nd graders Met RIT Score Norms. **Root Cause:** Student growth and progress measures between BOY, MOY, and EOY are not routinely implemented, that impact instructional practices.

Student Learning

Student Learning Summary

Daggett Elementary received an overall rating of a C (71) for the 2021-2022 school year. Scores broke down into the following areas:

- Student Achievement 59
- STAAR Performance was 59
- School Progress was 74
- Academic Growth was a 74
- Relative Performance 62
- Closing the Gaps 65.

Although we showed significant improvement from the post-pandemic scores of 2021 our greatest opportunity for improvement was in Closing the Gaps which means we have an opportunity to focus on the percentage of our students that are reaching the Meets and Masters Levels in fourth and fifth grade Reading and Math for the 2022-2023 school year.

Student Learning Strengths

STAAR Data

A strength of student performance based on 2022 STAAR Performance Data was with our 3rd Grade Masters Students in Grade 3 Reading performed in Quartile 1 based on Campus Comparable data. Daggett also performed in Quartile 2 Accelerated Student Progress Reading and Grade 3 Mathematics performance. Overall student achievement did show a decline in performance compared to the 2021 STAAR Test.

MAP Data

In Math, our Student Growth Summary shows students in Grades K-4 met their projected growth.

In Reading, our Student Growth Summary shows students in 3rd and 4th grade met their projected growth.

As a campus, we have PLC Meetings dedicated to reviewing student data and making instructional decisions.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Third Grade Lexia Reading data indicate that 9% of students started the 2022-2023 school year in grade level material. **Root Cause:** Systems that ensure the implementation of MTSS, 504, and SPED accommodations have not been implemented with fidelity.

Problem Statement 2 (Prioritized): 22 Percent of 1st-grade Math students Met RIT Score Norms. **Root Cause:** Tier 1 instructional practices have not intentionally incorporated practices to monitor and adjust instruction routinely.

School Processes & Programs

School Processes & Programs Summary

E.M. Daggett's leadership team (composed of the Principal, Assistant Principal, Data Analyst, Instructional Coach, and Counselor), meets and collaborates on recruiting, selecting, and assigning teachers. As a team, we review applications and resumes and create a panel to interview candidates. When it's time for the school year to end, we review teacher placement and decide on staffing for the upcoming year as a team based on teacher strengths observed through T-TESS observations and campus walkthroughs.

Teachers can be in the Instructional Leadership Team, meeting with the Principal and Assistant Principal to discuss and collaborate on instructional ideas and best practices to share with the staff. The team meets once every 6 weeks.

As a school, different teams meet and review the Campus Improvement Plan. We share data with the teachers at the beginning of the year before students return and determine different steps we will take to help improve during the school year. One of the tasks teachers work on is creating the norms and expectations for the PLC cycle. We share the data with the ILT (instructional leadership team) and the SBDM (school based-decision making) Committee. We track performance progress through district and school data such as MAP Growth, MAP Fluency, Benchmarks, school unit assessments, etc. We review and adjust lessons through the PLC cycle and determine professional development needs through classroom walkthrough trends.

The PLC cycle consists of Data Meetings, Planning and Practice, MTSS/Interventions, and Student Work. Each cycle has a different focus that centers around improving instruction to help student achievement and student growth.

E.M. Daggett offers a multitude of programs. The after-school program, high-impact tutoring, run club, choir, soccer, battle of the books, student council, announcement team, and safety patrol. Each program has clear expectations for staff and students. Daggett ensures that all students are given the same opportunities to meet state standards and show growth through Tier 1 instruction and differentiation based on MAP growth and Lexia Core5.

E.M. Daggett is a 1:1 campus where students have a student device assigned to them. Teachers use technology-based assignments and programs to help incorporate technology, such as Google Classroom, MyPath, Lexia Core5, Flocabulary, Canvas, Quizziz, Kahoot, Flipgrid, Padlet, Class Dojo, and Peardeck.

The PLC cycle helps teachers focus on data-driven instruction. Teachers can meet as a grade level and collaborate on data and lesson plans. They can share best practices and adjust lesson plans based on shared ideas and data.

At the beginning of the year, the leadership team meets before teachers return for the school year and create a master schedule. The planning period, lunch, and recess schedules are assigned for the school year. Teachers are given instructional minutes to guide their planning as they create class schedules.

As the school year begins, PLC days (weekly on Tuesdays) and faculty meeting days (bi-weekly on Mondays) are assigned. We also share clear expectations with staff, students, and parents about the start of instructional time and the importance of being on time. Students are offered after-school tutoring and summer school opportunities to help accelerate their learning.

Daggett has a campus-wide behavior management system where teachers know which behaviors are handled in the classroom and which need an office referral. Teachers reach out to parents with first-time incidents and inform them of any behaviors that are happening in the classroom. They utilize the buddy system where they send a student to a partner teacher, have the student reflect on their behavior, and write down ways to improve.

We will focus on adding SEL look fors to our classroom walkthroughs this upcoming school year.

E.M. Daggett's designs and delivers a comprehensive school counseling program that promotes student achievement. It is based on the standards and student competencies the American School Counselor Association developed for academic, personal/social, and career development. Guidance lessons are scheduled for K-5 classes twice a month. Guidance lessons are designed based on monthly topics suggested by FWISD, personal/social and career development, and teacher request. Individual and Group Counseling are administered at student/campus needs and teacher request. Individual Counseling 1:1 typically lasts 6-8 sessions, depending on the student's need. Small Group Counseling – is provided in 6

weekly sessions to about 5 or 6 students at a time relating to a specific topic. E.M. Daggett also annually highlights Education Go Get It Week to discuss post-secondary education opportunities available to students, including college, military, and vocational training. We offer students the opportunity to explore different careers through our annual Career Day and internet-based exploration programs such as XELLO, TCC Go Center, Texas Reality Check.

School Processes & Programs Strengths

In collaboration Instructional Leadership Team, we developed our campus PLC Cycle, including MTSS/Intervention Cycle, Planning and Practice Cycle, Student Work Cycle, and Student Data Cycle. These dedicated times allow teachers to meet with their grade-level peers and collaborate with instructional leaders and other district guests to be thought partners to develop rigorous, meaningful instruction, Internalize Lessons, and Look at Student Work. During PLC, teachers have time to document interventions in the Branching Minds program. We also have Data Meetings to determine instructional groupings for acceleration and intervention opportunities.

Other components of Daggett Elementary include the Academy 4 program, which is in its 11th year with Daggett Elementary, which takes place once a month with our 4th grade students. During that time, students have 1 on 1 mentoring time, clubs such as cooking/guitar/personal finance, and more. Each month students also learn a leadership skill to use throughout the year.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: 5th grade Math scores on MOY MAP testing indicate that 41% of students met growth projection evaluated against student norms at Daggett Elementary

Root Cause: Professional development has not been consistently provided with follow-through that impacts on and above grade levels students.

Problem Statement 2 (Prioritized): Third Grade Lexia Reading data indicate that 9% of students started the 2022-2023 school year in grade level material. **Root Cause:** Systems that ensure the implementation of MTSS, 504, and SPED accommodations have not been implemented with fidelity.

Perceptions

Perceptions Summary

Daggett Elementary serves a very diverse population of students with high social/emotional and academic needs. To meet the needs of these students, we provide referrals to the Family Resource Center. Other needs are met through food donations to families with the greatest need. As well as a yearly coat drive sponsored by the PTA and neighborhood associations. Students in need of uniforms are supported by local organizations that provide school uniforms to students that cannot provide for their children.

Perceptions Strengths

Daggett Elementary provides a warm and welcoming environment. Staff, parents, and the community have high academic, behavioral, and social expectations for our students. Each strives to meet the needs of all students and prepare them from the first day of school. In addition, staff and students can feel safe and supported in the school environment. Through various safety drills, the staff is all prepared for an emergency. Parents and community members are welcomed and encouraged to participate in the educational process through PTA and family events. The Ryan's Place and Fairmount Neighborhood Associations support Dagget Elementary by inviting us to participate in Neighborhood meetings and inviting students to participate in events.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: 15 out of 75 (20%) Daggett Elementary faculty members joined PTA during the 2022-2023 School Year. **Root Cause:** Opportunities to enhance student learning and growth using PTA partnerships have yet to be fully implemented.

Problem Statement 2 (Prioritized): 22 Percent of 1st-grade Math students Met RIT Score Norms. **Root Cause:** Tier 1 instructional practices have not intentionally incorporated practices to monitor and adjust instruction routinely.

Priority Problem Statements

Problem Statement 1: 20 Percent of 2nd graders Met RIT Score Norms.

Root Cause 1: Student growth and progress measures between BOY, MOY, and EOY are not routinely implemented, that impact instructional practices.

Problem Statement 1 Areas: Demographics

Problem Statement 2: Third Grade Lexia Reading data indicate that 9% of students started the 2022-2023 school year in grade level material.

Root Cause 2: Systems that ensure the implementation of MTSS, 504, and SPED accommodations have not been implemented with fidelity.

Problem Statement 2 Areas: Student Learning - School Processes & Programs

Problem Statement 3: 22 Percent of 1st-grade Math students Met RIT Score Norms.

Root Cause 3: Tier 1 instructional practices have not intentionally incorporated practices to monitor and adjust instruction routinely.

Problem Statement 3 Areas: Student Learning - Perceptions

District Goals

District Goal 1: Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 46% by August 2024.

School Performance Objective 1: *Increase the percentage of PK students who score On Track on Circle Phonological Awareness in English from 43 % to 74 % by May 2023.

*Increase the percentage of EL identified PK students who score On Track on Circle Phonological Awareness in Spanish from 74 % to 83% by May 2023.

Evaluation Data Sources: PK Circle Data EOY

Strategy 1: Improve the quality and alignment of Tier 1 instruction for all students through the use of TEKS Aligned lesson design using the Lead4ward tools, Creative Curriculum/Amplify Unit and Lesson Internalization process and the FWISD Instructional Framework to ensure explicit monitoring, adjustment of instruction, check for understanding, and rigorous instruction is occurring daily.

Strategy's Expected Result/Impact: Outcomes will include increasing the number and percentage of students working on grade-level work in Lexia.

Staff Responsible for Monitoring: Campus Data Leader and Principal

Title I:

2.4, 2.5, 2.6

- **TEA Priorities:**

Build a foundation of reading and math, Improve low-performing schools

- **ESF Levers:**

Lever 1: Strong School Leadership and Planning, Lever 5: Effective Instruction

Problem Statements: Demographics 2

Action Step 1 Details	Reviews			
Action Step 1: Teachers will implement a classroom data tracking system by the student, including MAP (BOY,MOY, EOY) and Unit Assessments. Intended Audience: Students and teachers K-5. Provider / Presenter / Person Responsible: Campus Data Leader Date(s) / Timeframe: Weekly monitoring beginning September 2023. Collaborating Departments: Literacy Delivery Method: Face to Face, Faculty Meetings, PLCs. Funding Sources: Campus Data Leader - Title I (211) - 211-13-6119-04E-119-30-510-000000-24F10 - \$82,831	Formative			Summative
	Nov	Jan	Mar	June

Action Step 2 Details	Reviews			
Action Step 2: All PK teachers will implement a daily Newhaus English phonics lesson beginning no later than January 2024 to ensure PK students master phonics / phonemic awareness / decoding skills by EOY Intended Audience: PK students Provider / Presenter / Person Responsible: PK teachers Date(s) / Timeframe: Train teachers September (Anne Harmon) Collaborating Departments: NA Delivery Method: During Daily Intervention Period 7:55-8:25	Formative			Summative
	Nov	Jan	Mar	June
<div> <div>0% No Progress</div> <div>100% Accomplished</div> <div>→ Continue/Modify</div> <div>✗ Discontinue</div> </div>				

School Performance Objective 1 Problem Statements:

Demographics
Problem Statement 2: 20 Percent of 2nd graders Met RIT Score Norms. Root Cause: Student growth and progress measures between BOY, MOY, and EOY are not routinely implemented, that impact instructional practices.

District Goal 1: Increase the percentage of 3rd grade students who score at meets grade level or above on STAAR Reading from 34% to 46% by August 2024.

School Performance Objective 2: *Increase the percentage of Kindergarten - Grade 3 students who Meet or Exceed grade level expectations on key MAP Fluency indicators in English from 57 % to 62% by May 2023.

*Increase the percentage of Kindergarten - Grade 3 students who Meet or Exceed grade level expectations on key MAP Fluency indicators in Spanish from 40 % to 45 % by May 2023.

*Increase the percentage of Economically Disadvantaged students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from scoring Approaches or higher on STAAR Reading 58% to 64% by May 2023.

Strategy 1: Ensure PLCs are regularly scheduled to actively develop engaging and rigorous lessons based upon student needs with district-approved resources (Amplify/SAVVAS/Estrellita/Esperanza/Lunita/Escalera/Lexia/Neuhaus) and data with PreK-5 grade teachers using the gradual release model and assessment aligned with FWISD curriculum.

Strategy's Expected Result/Impact: PLC meetings will result in actionable instructional items that can be observed in the classroom.

Problem Statement 2: 22 Percent of 1st-grade Math students Met RIT Score Norms. Root Cause: Tier 1 instructional practices have not intentionally incorporated practices to monitor and adjust instruction routinely.

District Goal 3: Increase the percentage of students graduating with a CCMR indicator from 43% to 48% by June 2024.

School Performance Objective 1: Increase the percentage of 3-5 grade students scoring at MEETS or above on STAAR Reading from 39% to 44% by May 2023.

Increase the percentage of African American students or the student group that is most marginalized by instruction on our campus (gender, race, program, other) from 35% to 40% by May 2023.

District Goal 3: Increase the percentage of students graduating with a CCMR indicator from 43% to 48% by June 2024.

School Performance Objective 2: Increase the percentage of 3-5 grade students scoring at MEETS or above on STAAR Math from 28% to 33% by May 2023.

Increase the percentage of students in grades 3-5 scoring MASTERS level on STAAR from 11% to 16% and EL students in grades 3-5 scoring MASTERS from 8% to 13% by May 2023.

High Priority

Evaluation Data Sources: STAAR Benchmark Data, weekly data meeting exit ticket data, STAAR data

Strategy 1: Create and Implement master schedule for GT pull out learning and collaborate with GT Teachers to ensure TEKS aligned focused instruction is provided consistently for identified GT students and Talent Pool students.

Strategy's Expected Result/Impact: Students receive instructional challenge with greater cognitive demand and collaborative problem solving

Staff Responsible for Monitoring: Principal, GT coordinator

Title I:

2.5, 2.6

- TEA Priorities:

Build a foundation of reading and math, Connect high school to career and college

- ESF Levers:

Lever 3: Positive School Culture, Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction

Problem Statements: Student Learning 2 - Perceptions 2

Action Step 1 Details		Reviews			
Action Step 1: Provide a faculty meeting time for GT to present to staff their plan for services and identification timelines for parents and teachers Intended Audience: teachers Provider / Presenter / Person Responsible: GT teachers Date(s) / Timeframe: September Collaborating Departments: GT Advanced Academics Delivery Method: Training PD		Formative			Summative
		Nov	Jan	Mar	June

Action Step 2 Details	Reviews			
Action Step 2: Create and implement a master schedule for GT pull out that does not interfere with Tier 1 math and reading instruction Intended Audience: GT students Provider / Presenter / Person Responsible: Principal and GT teachers Date(s) / Timeframe: bi-weekly Collaborating Departments: GT Advanced Academics Delivery Method: pull out	Formative			Summative
	Nov	Jan	Mar	June
<div> <div>0% No Progress</div> <div>100% Accomplished</div> <div>→ Continue/Modify</div> <div>✗ Discontinue</div> </div>				

Strategy 2: Plan and provide targeted supports for on and above level learners to push them to ensure they hit masters level on STAAR.

Strategy's Expected Result/Impact: Increase the percentage of students scoring at the Masters Level on STAAR

Staff Responsible for Monitoring: ILT, Teachers. Data Analyst

Title I:

2.4, 2.5, 2.6

- TEA Priorities:

Connect high school to career and college

- ESF Levers:

Lever 4: High-Quality Instructional Materials and Assessments, Lever 5: Effective Instruction

Problem Statements: Student Learning 2 - Perceptions 2

Action Step 1 Details	Reviews			
Action Step 1: Create TEKS Aligned materials for targeted supports based on the data identified needs of the students, ensuring highly tested TEKS are taught weekly to mastery. Intended Audience: Teachers Provider / Presenter / Person Responsible: principal, ILT Date(s) / Timeframe: Weekly Collaborating Departments: NA Delivery Method: Agenda designed by ILT to be followed with deliverables being comprehensive Boot Camp / Spiral Review plans by end of day. Funding source already allocated Funding Sources: Supplies and Materials including STAAR formatted materials and paper - Gifted & Talented (199 PIC 21) - - \$461	Formative			Summative
	Nov	Jan	Mar	June

Action Step 2 Details	Reviews			
Action Step 2: Calendar Vertical Data Analysis and Planning Days following Benchmark tests to create targeted supports for all levels of student groups, including those in the meets and masters score ranges to ensure progress before next benchmark and STAAR Intended Audience: Teachers Provider / Presenter / Person Responsible: Principal Date(s) / Timeframe: One Fall day in November and one spring day for each content (Math), Collaborating Departments: NA Delivery Method: Agenda for the day with Deliverables kicked off by Principal and led by ILT	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

School Performance Objective 2 Problem Statements:

Student Learning
Problem Statement 2: 22 Percent of 1st-grade Math students Met RIT Score Norms. Root Cause: Tier 1 instructional practices have not intentionally incorporated practices to monitor and adjust instruction routinely.
Perceptions
Problem Statement 2: 22 Percent of 1st-grade Math students Met RIT Score Norms. Root Cause: Tier 1 instructional practices have not intentionally incorporated practices to monitor and adjust instruction routinely.

District Goal 4: Ensure all students have access to a safe, supportive and culturally responsive learning environment.

School Performance Objective 1: Decrease the number and percentage of students who have excessive absences (1 or more courses below 90% attendance) from 34% to 29% by May 2023.

District Goal 4: Ensure all students have access to a safe, supportive and culturally responsive learning environment.

School Performance Objective 2: Decrease the overall number of discipline referrals by school personnel from 36 to 18 by May 2023.

Decrease the number of discipline referrals by school personnel for African American students or the student group that is most marginalized on our campus (gender, race, program, other) from 5 to 0 by May 2023.

District Goal 4: Ensure all students have access to a safe, supportive and culturally responsive learning environment.

School Performance Objective 3: Decrease the number of out-of-school suspensions for African American students or the student group that is most marginalized on our campus (gender, race, program, other) from 24 to 12 by May 2023.

District Goal 4: Ensure all students have access to a safe, supportive and culturally responsive learning environment.

School Performance Objective 4: Increase the number of student and parent engagement activities during and outside of regular school hours, as evidenced by participation in key strategic events and programs from 5 to 10 by May 2023.

Strategy 1: Increase the number of student and parent engagement activities during and outside of regular school hours, as evidenced by participation in key strategic events and programs from 5 to 10 by May 2023.

Title I:

2.6, 4.1

- TEA Priorities:

Improve low-performing schools

- ESF Levers:

Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture

Problem Statements: Student Learning 1 - School Processes & Programs 2

Action Step 1 Details		Reviews			
Action Step 1: In collaboration with PTA and staff schedule PTA/Parent events throughout the year with an academic focus. Intended Audience: Parents, Teachers, and Community Date(s) / Timeframe: Dates as Scheduled through the master calendar. Delivery Method: Face to face Funding Sources: Parent Engagement Resources - Parent Engagement - 211-61-6399-04L-119-30-510-000000-24F10 - \$2,675		Formative			Summative

ELEMENTARY SCHOOL

SITE BASED DECISION MAKING TEAM

School Year / Ano Escolar 2023-2024

Site-Based Decision Making (SBDM)Committee

- ☐ SBDM committee
 - ☐ Minimum of 14 members
 - ☐ Minimum of 6 meetings per year (upload meeting to Plan4Learning shortly after each meeting)
 - ☐ Principal serves as co-chair
 - ☐ Established no later than Sept 1
 - ☐ Names uploaded to Plan4Learning no later than Sept 14
- ☐ Established bylaws
- ☐ Hold 1 public meeting after receiving TEA campus rating

DAGGETT

3 BIG ROCKS

2023-2024 BIG ROCKS

VISION - 100% ON OR ABOVE GRADE LEVEL

Culture of Joy

Daggett faculty intentionally choose to use words of LIFE, gratitude, honor, hope, courage, belief in the genius and value of every child. We will NARRATE the POSITIVE to create positive realities and invite positive identities for our students and families. We create our WORLD with our WORDS! A campus culture of joy provides clear expectations, structures and routines that organize the learning environment to maximize learning time.

Instructional Excellence

At Daggett. Instructional Excellence is our commitment to our community. Teachers collaboratively design engaging, rigorous lessons that are carefully aligned with the TEKS. Teachers continually assess student mastery and address data-identified needs to ensure 100% of our students are performing on or above grade level in reading and math. Daily lessons require students to read, write, inquire, and collaborate.

Assess & Address

Daggett Elementary teachers are committed to knowing their students, and part of that important relationship requires that teachers know students' level of mastery during each lesson. Teachers use varied, spiraling formative assessments to drive instructional planning for every student. We are committed to providing appropriately individualized instruction that moves student achievement rapidly forward for all learners.

PARENT INVOLVEMENT

- New Family Engagement Specialist Maggie Acosta
 - [ALL PRO DADS](#) has been added monthly with an AMAZING participation
 - Event for moms planned for holidays and for end of year (Mothers Day)
 - PTA membership has increased significantly with a large percentage of staff too
 - Activity Calendar planned for the year and published to parents already and monthly
 - Meet the Teacher Night and Open House /
- Community Partnerships
 - St. Paul Church is deepening their partnership by adding Clubs for students

E.M. DAGGETT

ELEMENTARY SCHOOL

MEET THE TEACHER CONOCER AL MAESTRO

School Year / Ano Escolar 2023-2024

MEET THE PRINCIPAL - SARA BROWN

Dear Daggett Parents,

I am so honored and excited to introduce myself to you as the principal of Daggett Elementary! What an amazing legacy Daggett Elementary exemplifies, and I cannot wait to be part of that heritage of excellence with you! We are going to GROW together as a school family as we partner with you in the incredibly important and priceless work of leading our children to an amazing future of success and character! This will be my 22nd year in FWISD and my 32nd year in education. I began teaching 5th grade in 1992 and became a principal in 1999 at a Christian school. I moved back into public education as an assistant principal in 2002 at Ridglea Hills Elementary for three years before becoming principal at Westcliff Elementary where I remained for 16 years. For the last two years, I served as principal of Leonard Middle School where we saw many lives transformed. Returning to elementary is even more meaningful because these are the impressionable years when we can so powerfully build character, honor, and leadership in our students' lives!

CONOCER A LA DIRECTORA - SARA BROWN

¡ME SIENTO MUY HONRADA Y EMOCIONADA DE PRESENTARME COMO LA DIRECTORA DE DAGGETT ELEMENTARY! ¡QUÉ INCREÍBLE LEGADO EJEMPLIFICA DAGGETT ELEMENTARY, Y NO PUEDO ESPERAR PARA SER PARTE DE ESE LEGADO DE EXCELENCIA CON USTEDES! ¡VAMOS A CRECER JUNTOS COMO UNA FAMILIA ESCOLAR MIENTRAS NOS ASOCIAMOS CON USTED EN EL TRABAJO INCREÍBLEMENTE IMPORTANTE E INVALUABLE DE LLEVAR A NUESTROS NIÑOS A UN FUTURO ASOMBROSO DE ÉXITO Y CARÁCTER! ESTE SERÁ MI AÑO 22 EN FWISD Y MI AÑO 32 EN EDUCACIÓN. COMENCÉ A ENSEÑAR QUINTO GRADO EN 1992 Y LUEGO ME CONVERTÍ EN DIRECTOR EN 1999 EN UNA ESCUELA CRISTIANA. REGRESÉ A LA EDUCACIÓN PÚBLICA COMO SUBDIRECTORA EN 2002 EN LA ESCUELA PRIMARIA RIDGLEA HILLS DURANTE TRES AÑOS ANTES DE CONVERTIRME EN DIRECTORA DE LA ESCUELA PRIMARIA WESTCLIFF, DONDE PERMANECÍ DURANTE 16 AÑOS. DURANTE LOS ÚLTIMOS DOS AÑOS, ME DESEMPEÑÉ COMO DIRECTORA DE LA ESCUELA INTERMEDIA LEONARD, DONDE VIMOS MUCHAS VIDAS TRANSFORMADAS. ¡REGRESAR A LA ESCUELA PRIMARIA ES AÚN MÁS SIGNIFICATIVO PORQUE ESTOS SON LOS AÑOS IMPRESIONABLES EN LOS QUE PODEMOS DESARROLLAR CON TANTA FUERZA EL CARÁCTER, EL HONOR Y EL LIDERAZGO EN LA VIDA DE NUESTROS ESTUDIANTES!

G.R.O.W.T.H.

WHAT IT MEANS FOR OUR STUDENTS
AND FOR YOU

LO QUE SIGNIFICA PARA NUESTROS
