ADVANCED PLACEMENT

Students enrolled in Advanced Placement classes of any kind are encouraged to read any number of selections frequently used on the exam. A simple Google search will provide you with a list of the most frequently used books or a list of books recommended to supplement learning in a given subject area. In addition to these books, it is highly encouraged that AP literature students read (if not the entire book, at least a summary of):

- **How to Read Literature Like a Professor** by Thomas C. Foster
- **The Power of Myth** by Joseph Campbell
