Topic: TABS

Meeting Objectives:

1. Priority Registration starts October 17,2022
2. AP scores on TCC Transcripts
3. TCC Advisor for ECHS students on suspension
4. Drop reports
5. Enrollment reports this week

---

Notes:

1. Priority Registration - Roadblocks or hiccups? Too soon to tell. Still need MATH course number and SPCH-1311 M/W 8am - 9:20am section number. TABS full year projection was off by 17 sections because of TCC changes and cannot use 11am -12:20pm times.
2. AP scores on TCC Transcripts – Painfully slow. Need a more streamlined process. Process is student driven so TABS will continue to remind students to “share” test results with TCC and follow up with Tina at TCC with screenshots and receipts. Deadline is May but December is better.
3. TCC Advisor for ECHS students - They're now going to be called Success Coaches and they have been hired. TCC needs to make sure they can advise ECHS students so SUSP blocks can be lifted.
4. Drop reports – Janaea does not get them anymore, she will check on why.
5. Enrollment reports – will be sent by Janaea Wednesday and Friday. FWISD is going to be an Apple district.
6. Report for Grades - every 3 weeks. Need a “Point in Time Report” with points, percentage, and grades.
7. Recruitment season – Applications open November 4, 2022, Open House November 7, 2022, Applications close January 6, 2023.
