Engage, Challenge, Value, and Uplift

Department meeting, Science – Thursday, 11:40-12:20

Professional Goals

SLO and Student Growth Tracker

Progress tracker (approximate timeframe)

- #1 Oct 30<sup>th</sup>
- #2 January 30<sup>th</sup>
- #3 March 30<sup>th</sup>

Department professional learning and team building objectives

- Informal and frequent
- Formal events

What common (best) teaching practices we would like to see in Science grades 9-11?

What practices (common or otherwise) would we like to avoid in the Science Department.

What common areas of concern can we address in student body skill set to take performance to next level?

- Consider student behaviors and student knowledge
- Is uniformity in approach desired here or just common targets?
- What conditions need to be in place to see improvement?

What would your ideal science instructional environment look like? If we could agree on this environment, what has to be true to make this a reality?

Plan next meeting agenda
